

President's Day

Open to all members.

The President's day is held at a club and in a format of the President's choice. Golf is followed by afternoon tea and prize-giving.

In 2025 the event will once again be held at Windlesham Golf Club. Bacon rolls will be available on arrival. The competitors are sent out in handicap order and play a stableford competition. Players may opt to enter the scores for handicap via the England Golf App.
