

Field Day

Open to all members

The Field Day is organised by the Ladies Joint Golf Association (LJGA). It is open to members of LLGA, the Ladies Parliamentary Golf Association (LPGA), the Senior Women's Golf Association (SWGA), the Ladies Medical Golf Society (LMGS) and the United Services Ladies Golf Association (USLGA).

It is played at The Berkshire GC on both the Red and the Blue courses. Each Association is restricted to entering 25 players. The competition is an 18 hole qualifying stableford followed by lunch. The best four scores from players on each course are added together for the team of each Association. The Association with the most points wins the Field Day trophy.

Each Association also presents a trophy to the member of its team with the best individual score and there are assorted other prizes.
